

# Commercial & Industrial Steel Hinged Doors

The Cost Effective Solution  
To Securing Commercial, Industrial  
And Agricultural Buildings

**High Security Personnel Doors**  
Looking for a cost effective standard size high security door? Our steel doors come with an adjustable frame for the perfect fit into any standard size opening. Easily configured for fire escape doors or high security access doors.

**Standard Or Custom Sizes**

**Single Or Double Doors**

**Standard Colour Or Custom To Match Your Building**

**2 Hour Fire Rating If Required**

**Flat Or Panelled**

**Cost Effective, Pre Finished & Tough!**  
Compared to traditional timber doors our steel doors offer a more cost effective solution for your needs. They come with a steel frame, all the hardware and furniture fitted and are pre finished so no painting is needed.
